IT'S HEEERE!

Yes—the new foam has FINALLY been delivered and the pit filled with plenty of new, fluffy foam. You'll notice that we even have enough extra to build a small pit for the preschool upstairs!

Please join us in thanking Joyce Banks for helping us negotiate an unbelievable price on the foam and getting the whole project started, Coach Russell and Coach Sammy for 18 hours of hard labor emptying and cleaning the pit, and to all the donors who generously funded this project!

The kids had a blast helping us fill the pit and taking their first dives into the clean new foam!

THANK YOU ALL!

NEW HOPE TEAM NEWS

Last month, our Boys Team returned from their Regional competition in Hawaii—with many, many all-around honors and event championships. All the boys competed well and demonstrated their strength

and composure at this high-pressure meet.

Congratulations to all the boys and their coaches...and best wishes to the Level 9s and 10s as they travel to Oklahoma City to compete at Junior Olympic Nationals (May 9-13).

The Girls Team members have also enjoyed phenomenal success at their Regional Championships. The Level 8s competed in Santa Clara on April 13-14; the Level 9s were in Utah on April 20-22. Not only did everyone perform well, most of the girls returned with either an event or all-around title. The Level 9 New Hope Girls really outdid themselves — claiming 7 of the 48 spots (for all the gyms in the five western states) who will compete for Region 1 Team pride at Nationals in Spokane, WA May 11-13.

The Compulsory Team girls started their Spring season this month--see meet scores/results posted *live* at: www.newhopegymnastics.com.
