CONGRATULATIONS YOSHI!

New Hope Boys Team Member, Yoshi Mori, placed an amazing 5th place in the All-Around at the VISA Championships this Aug 15th in San Jose, CA. Yoshi, a Level 10 Team Member at New Hope, competed in the Jr Men's Division—placing 2nd in Pommel, 5th in Vault, Parallel Bars and Hi-Bar, and 9th on Floor.

In the Men's Jr Division, 18 athletes (out of almost 1,500 nationally) qualify to compete at the VISA Championships in the 14-15 age group. The top seven athletes, based on all-around scores, are selected to the Men's Jr Nat'l Team. These athletes selected to the Nat'l Team—both senior and junior divisions—participate with their coaches in training camps at the National Olympic Training Center three times per year. They also compete against an international team—this year, Germany—as a part of the selection process of just who will represent the US at the Pan American Games.

EARLY CLASSES!

Does your child have an early dismissal day either Wed or Thurs? Then contact the office to be put on a waiting list for a 2:00 class. Come when the gym is less crowded, when your child has more energy...and still leave time for homework & family.

HANDICAPPED PARKING

Please be aware that the FVPD will begin ticketing for non-permitted automobiles who are parking in the two handicapped spaces outside our gym!

FALL "TREATS" FOR THE NEEDY!

Attention all New Hope gymnasts. We will be conducting a Food Drive to benefit the Orange County Food Bank this fall. Please bring a dry or canned good to share with those less fortunate than ourselves. A box will be placed outside the office. Donations will be collected through October 20th to provide a nice treat for local families.

BEST WISHES!

Best wishes to all of our graduating team members who have gone off to college.

BOYS TEAM: **Michael del Junco**—is attending UC Berkeley and competing as a Cal Bears gymnast; **Nash Mills**—is attending the US Air Force Academy and competing on their gymnastics team; and **Kyle Oi**—was accepted to MIT but decided to attend Stanford and will hopefully compete as a Cardinal gymnast.

GIRLS TEAM: **Marcy Miller**—is off to attend UC Davis and hopes to earn a gymnastics scholarship next year as an Aggie; and **Reiko Senteno**—has already begun her studies this fall at UC Berkeley and hopes to compete as a Bear next year.

THANK YOU!

...To all of our many caring parents who have been helping with improvements, cleaning and training here at New Hope.
